## Chapter 2 by Abigail Escobar

"I think i'm lost." I am trying not to think of what happened last night but it keeps on coming to mind. Last night was a full moon. I can't help looking at my bite mark on my arm. My girl friend is a werewolf so she bit me. It was a surprise to see her transform last night because I never knew her little secret. "I wonder were she is" I whispered to my self. So I started calling out her name. Her name is Amanda. I didn't have any luck. I don't know if i'll ever find her or get home.
